**Liberal Education:**

(If student took honors courses-use those courses in place of the corresponding non-honors equivalent.)

The Liberal Education program is divided into four portals: Communication & Language Fluency, Artistic & Creative imagination, Scientific and Analytic Curiosity and, World Understanding. Please see the Brenau University catalog or the Brenau University web site for a list of applicable courses for each requirement. Some majors have more than one course that can satisfy a LE requirement. In those cases, only one of those courses will list on the LE portion of the plan, however, all the courses will be noted on the reverse side of this plan. **If the student earned a previous degree (must be A.A., A.S., or Bachelor’s Degree) from a regionally accredited institution, the Liberal Education section of the student’s program is considered complete.**

Program Plan Revised by: ___________________ Date: ________________

Revised 04/2011
B.M. Degree – 2011/2012
Major: Music Education

Music Concentration Courses:
Students must take a total of 14 hours in a music concentration. This concentration can be voice, piano, or accompanying. In addition, 4 hours in a minor instrument are required. The minor concentration instrument choices are also voice, piano, or accompanying.

Place grades on the lines below for each two hour major instrument course completed. Place a grade on the lines for each hour of secondary instrument as well. A grade of "C" or better is required for each major course. If the student transferred applied courses from another institution that will apply in this area and there are hour-conversion issues, please use the “Notes” area to the right to outline the major instrument requirements and how they were satisfied.

Circle P (piano), V (voice), or A (accompanying) below to indicate which is the major or secondary instrument.

Major instrument: (2 hours each)

Secondary instrument: (1 hour each)

Passed piano proficiency exam: (mm/yyyy)

Vocal Chamber Ensemble (MC 120/ MC 130/ MC 196) – place the grade earned for each course or that student registered for and received an hour of academic credit. Courses taken for “no credit” can not be used.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student’s transcript. Electives needed for graduation can be calculated simply by:

Adding
The total number of hours on the student’s transcript (available in CampusWEB)
- hours earned for courses taken at the developmental level
+ courses currently registered for
+ courses still outstanding.

A minimum of 129 semester hours is required to graduate from Brenau University with a music education. After completing liberal education and major requirements, if the total number of hours on the student’s transcript is not at 129 then the student must take enough general elective hours to reach a cumulative total of 129 hours. If a course is repeated, it is the student’s responsibility to contact the Registrar’s Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 129 ester hours.

Note: Financial aid recipients cannot receive aid for courses repeated unnecessarily or for courses not specifically required for their degree.

Note: No grade less than “C” may be applied in the major. Students must earn a cumulative grade point average of 2.5 and a major grade point average of 2.75.

Residency requirement:
A residency requirement of 33 semester hours is required to graduate from Brenau University with a music education major. This includes a major residency of 21 semester hours.

This program plan is not an official document. It is a tool to assist the student and adviser in schedule planning.

This program plan was prepared by the Registrar’s Office.
