OCCUPATIONAL THERAPIST for Outpatient & Inpatient Acute – ORTHO & NEURO

(60% Outpatient, 40% Acute)

If you are looking to live in Georgia and work Outpatient & Inpatient with Ortho & Neuro, then please consider this opportunity that also provides Mentorship if you would like!

This is an Acute Care facility with large Outpatient Clinic about ½ mile from the hospital.

Work with ~3-4 OTs, ~6 PTs, plus PTAs & COTAs - this is a team that works together – a very cohesive group!!

Offering a wide range of Adult Patients:
- Orthopedic patients including Joint Replacement
- Back Pain, Spinal Cord Injury, & Spine surgery including Microdiscectomy, Kyphoplasty, Laminectomy, and Fusion
- Stroke patients - Cancer patients
- Emergency Room patient recovery from injuries due to work and sports, etc.
- Surgery patients’ recovery - Wound patients - Heart conditions
- Other Neurological disorders

Outpatient Clinic:
- Fully equipped with additional large gym and private treatment rooms
- The appointments are 45 minutes and back-to-back with a 1-hour lunch

Compensation Package:
- The low of salary range is low-mid $60,000’s annually – this rate would be for a therapist without experience – the rate will be higher for those experienced and will be extremely competitive
- Plus additional $5,000 Sign On Bonus
- Additional Relocation Package plus Full Benefits Package with PTO
- Onsite Interview costs are provided
- This is a non-exempt position, meaning you will get paid for any overtime

Location: A thriving metro suburb in Georgia. Small town living with convenient access to large metropolitan. A real neat historic downtown undergoing a beautiful renovation. The downtown offers shopping, dining, fine arts, drama, ballet, and annual festivals with musicians. Parks, golf, horseback riding, plus water activities on the river such as fishing, boating & whitewater paddling. There also is walking and hiking through wooded trails, plus jogging tracks, picnic areas, sail boating, soccer & baseball fields galore.

OCCUPATIONAL THERAPIST for PEDIATRICS (Primarily OUTPATIENT)

If you are looking to live in Georgia and work Outpatient with Pediatrics, then please consider this opportunity for a therapist who is confident to be the primary Pediatric OT!

This is an Acute Care facility with large Outpatient Clinic about ½ mile from the hospital.

Work with Adult Therapists: ~3-4 OTs, ~6 PTs, plus PTAs & COTAs - this is a team that works together – a very cohesive group!!

Overview:
- Evaluation and treatment in the areas of: sensory, vision, and motor skills
- Create a fun and safe environment, while working on skills needed in everyday life
- Provide each child and family with the best our team has to offer
- The appointments are 30 minutes and back-to-back with a 1-hour lunch
- Built-in referral system; patients are referred from the acute care hospital upon discharge, and referred from pediatricians within the organization.
- Solid volume of pediatric patients to be seen; and a wide range of diagnoses
- Collaboration with the family to implement individualized programs for each child

Outpatient Clinic:
- A dedicated pediatric room stocked full of fun and functional items & toys
- Family friendly
- Private treatment rooms

Compensation Package:
- The low of salary range is low-mid $60,000’s annually – this rate would be for a therapist without experience – the rate will be higher for those experienced and will be extremely competitive
- Plus additional $5,000 Sign On Bonus
- Additional Relocation Package plus Full Benefits Package with PTO
- Onsite Interview costs are provided
- This is a non-exempt position, meaning you will get paid for any overtime
