Immediate openings for Occupational Therapists in various locations throughout the country

Minimum education: Bachelor's Degree; opportunities for new grads or experienced applicants; in-facility or in-home care. Salary DOE.

Occupational Therapist will care for patients in their homes or facilities, build relationships and will share the challenges and triumphs of day-to-day life. The Occupational Therapist also organizes and conducts occupational therapy programs for the agency to facilitate rehabilitation. S/he directs patient participation in selected tasks to restore, reinforce, and enhance performance. The Occupational Therapist facilitates the learning of those skills and functions essential for adaptation and productivity, in order to diminish or correct pathology.
