Pediatric Occupational Therapist

Milestone Pediatric Therapy Services, Inc. 40 Professional Drive, Jefferson, GA 30549

Job Type: Full-Time/Part-Time Employment

Milestone Pediatric Therapy is a growing private practice seeking an energetic and hard-working Occupational Therapist to join our team at our clinic in Jefferson, GA. We offer clinic-based and home-based therapies to the children and families of Northeast Georgia. Qualified candidates will possess a Masters or Doctoral degree in occupational therapy, and a Georgia state license to practice occupational therapy. Hands-on experience delivering occupational therapy services to children is required. Knowledge of current therapy and evaluations procedures to address a range of fine motor, visual motor, visual perceptual, and sensory processing skills is expected. New graduates with level II fieldwork experience in pediatrics are welcomed to apply. We have a great team, work hard, and enjoy working with each other and offer competitive pay and a flexible schedule.

Essential Duties and Responsibilities:

- Assessing patient needs, evaluating, developing effective patient treatment plans, and modifying care to meet goals of Occupational Therapy Interventions

- Provide skilled Occupational Therapy services/Interventions in accordance with Physician orders

- Collaborating with all disciplines to plan and evaluate team goals for each patient

- Instructing patients and families on patient’s treatment plans

- Advising, Consulting, and Instructing members of the multi-disciplinary team in specific Occupational Therapy modalities

- Observing and reporting patient progress and/or changes in patient status to Physician and appropriate team members

- Occupational Therapist will work with a mixed caseload that may include diagnoses of sensory, fine motor, balance, handwriting, spectrum disorders, etc…

- Maintain documentation of reports and progress of therapy via our computer based program

- Other duties as assigned
Qualifications:
-A Masters or Doctoral degree from an accredited occupational therapy program
-Proof of licensure in the state of Georgia, or be licensure eligible
-Hands-on experience delivering occupational therapy services to children is required.
-New graduates with level II fieldwork experience in pediatrics are welcomed to apply.
-Knowledge of current therapy and evaluations procedures to address a range of fine motor, visual motor, visual perceptual, and sensory processing skills
-Experience working with adaptive devices/equipment and educational tools/toys
-Positive and energetic work ethic
-Self-directed and able to work with little supervision
-Good observation skills and judgment, as well as good oral and written communication skills
-Bilingual applicants are encouraged to apply

Interested applicants are asked to email a cover letter and resume.

Please call 678-863-2074 if you have any questions or need more information regarding this posting.

Responsibilities will include providing direct clinical services to children, including, but not limited to: fine motor development, self-care, and sensory processing and visual processing impairments. Therapist will also be expected to maintain working relationships with families and other professionals, implement individual service plans, and work as part of a multidisciplinary team to oversee services.
