An application form and additional information can be accessed at www.thenia.org.

Description of Positions
The Northwestern Illinois Association, a ten county regional special education cooperative, has opportunities for occupational therapists to serve students with varied special needs including autism spectrum disabilities, attention deficit disorders, and varied other learning and physical disabilities. We are seeking therapists for the Aurora, Sandwich/Somonauk, Dundee and Rockford areas.

Occupational therapists in our member districts work on teams that provide interventions for students’ educational success. NIA’s staff members enjoy the benefits of a school calendar, ongoing mentoring and support in progressive school environments, continuing education programs, health insurance, competitive salaries and retirement plans.

Job Requirements
Qualified candidates will be eligible for Illinois licensure, and have a strong desire to work with children in a team atmosphere. New graduate applicants are welcome.

Starting Date
Employment will begin in August 2014, for the 2014-2015 school year.
