OT for pediatrics in San Antonio, TX

Experienced OTR will supervise a COTA. Our pediatric outpatient clinical setting provides Speech, Occupational, and Physical Therapies to children ranging in age from newborn to 21 years old. Our accomplished staff collaborates as a team to always place the children’s needs first. We use a balance of cutting edge developments and proven techniques when designing an individually tailored plan of care for each individual patient.

Our staff is a fundamental component of our success in providing superior service to our clients. It is our philosophy to provide a strong, nurturing workplace environment where people can perform meaningful work, benefit from a supportive management staff, and earn a professional level of income including benefits.

We pride ourselves on a broad array of diagnoses, conditions, and developmental delays.
