- Visa Sponsorship and assistance
- New Grad mentorship
- Large gym and therapy pool
- Currently hiring inpatient and outpatient OT and PT

We are a state of the art rehab located in Yuma, Arizona. Through patient centered treatment, teamwork, and education, we deliver the highest quality of care. Some of our technologies include AutoAmbulator, LiteGait, Bioness H200, Bioness L300, Biodex Balance Machine, Vital Stim, Experia, SmartStep, DriveAble, ReoGo, Computerized Speech Lab, Dynavision, Fiberoptic Endoscopic Evaluation of Swallowing (FEES) machine, SaeboFlex, Nintendo Wii, and Interactive Metronome.

About our location
- Guinness World Record as the “Sunniest Place on Earth”
- Wide range of outdoor activities year round including hiking, rock climbing, kayaking, water skiing, golfing, and off road riding in the sand dunes
- Centrally located between San Diego, Phoenix, Las Vegas and Tucson, AZ
- Weekend trips to the Grand Canyon, Sedona, and snow skiing
- Just the right size—big enough to provide shopping and entertainment and small enough that you won’t sit in traffic

Need a Visa?
We have experience sponsoring H1-B, TN Visas and green cards, as well as, attorneys available to assist with all the paperwork.
