How to use this program plan: Please write the term and grade for the course that satisfies each requirement.

**Liberal Education:**

(If student took honors courses-use those courses in place of the corresponding non-honors equivalent.)

The Liberal Education program is divided into four portals: Communication & Language Fluency, Artistic & Creative imagination, Scientific and Analytic Curiosity and, World Understanding. Please see the Brenau University catalog or the Brenau University web site for a list of applicable courses for each requirement. Some majors have more than one course that can satisfy a LE requirement. In those cases, only one of those courses will list on the LE portion of the plan, however, all the courses will be noted on the reverse side of this plan. If the student earned a previous degree (must be A.A., A.S., or Bachelor’s Degree) from a regionally accredited institution, the Liberal Education section of the student’s program is considered complete.

Must satisfy any prerequisite required for the graduate electives.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student’s transcript. Electives needed for graduation can be calculated simply by:

Adding
The total number of hours on the student’s transcript (available in CampusWEB) - hours earned for courses taken at the developmental level + courses currently registered for + courses still outstanding.

A minimum of 120 undergraduate semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student’s transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student’s responsibility to contact the Registrar’s Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

Undergraduate Residency requirement:
A residency requirement of 30 undergraduate semester hours is required to graduate from Brenau University with this combined degree.

This program plan is not an official document. It is a tool to assist the student and adviser in schedule planning.

This program plan was prepared by the Registrar’s Office.
