Liberal Education:

(If student took honors courses-use those courses in place of the corresponding non-honors equivalent.)

The Liberal Education program is divided into four portals: World Understanding, Scientific and Analytic Curiosity, Artistic & Creative imagination, and Communication and Language Fluency. Please see the Brenau University catalog or the Brenau University web site for a list of applicable courses for each requirement. Some majors have more than one course that can satisfy a LE requirement. In those cases, only one of those courses will list on the LE portion of the plan, however, all the courses will be noted on the reverse side of this plan. If the student earned a previous degree (must be A.A., A.S., or Bachelor's Degree) from a regionally accredited institution, the Liberal Education section of the student’s program is considered complete.

LE – Liberal Education course. All LE courses are noted on the plan whether satisfying a LE requirement or not.

**Electives:** Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student’s transcript. Electives needed for graduation can be calculated simply by:

Adding
The total number of hours on the student’s transcript
(available in CampusWEB)
- hours earned for courses taken at the developmental level
+ courses currently registered for
+ courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student’s transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student’s responsibility to contact the Registrar’s Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

**CONCENTRATION:** Complete one area of concentration outlined below. You may choose from Clay, Drawing/Painting, Museum Studies or Sculpture.
