Brenau University – B.F.A. Degree
Theatre Design & Technology Major
2013/2014 Catalog

Liberal Education:

The Liberal Education program is divided into four portals: Communication & Language Fluency, Artistic & Creative imagination, Scientific and Analytic Curiosity and, World Understanding. Please see the Brenau University catalog or the Brenau University web site for a list of applicable courses for each requirement. Some majors have more than one course that can satisfy a LE requirement. In those cases, only one of those courses will list on the LE portion of the plan, however, all the courses will be noted on the reverse side of this plan. If the student earned a previous degree (must be A.A., A.S., or Bachelor's Degree) from a regionally accredited institution, the Liberal Education section of the student's program is considered complete.

B.F.A. Degree – 2013/2014
Major: Design & Technology for Theatre

All major courses must have a grade of C or higher.

Theatre Practicum: Students who transfer into the program or who change
their major to theatre while enrolled at Brenau are required to take practicum
each semester (or until they meet the 12 hour credit requirement) except for
when they are enrolled in TH 490, thus their total may be fewer than 12.
Place a grade on each line below for each two (2) hour block of practicum
taken. If the student transferred practicum credit to Brenau in a different
format, use a clear area of the program plan to calculate the practicum hours.

6 hours TH 201 required
6 hours TH 301 required

TH 102 Acting I: Process (3)  or TH 110 Fundamentals of Acting
TH 104 Introduction to Theatre (3)

LE = Liberal Education course. All LE courses are noted on the plan whether
satisfying a LE requirement or not.

Note: Students must earn a cumulative grade point average of 2.0 and a major grade
point average of 2.50.

Electives: Electives are not listed on the program plan by the Admissions Office,
however all courses are posted to the student’s transcript. Electives needed for
graduation can be calculated simply by:

Adding
The total number of hours on the student’s transcript
(available in CampusWEB)
- hours earned for courses taken at the developmental level
- courses currently registered for
- courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After
completing liberal education and major requirements, if the total number of hours on the
student’s transcript is not at 120, then the student must take enough general elective
hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student’s
responsibility to contact the Registrar’s Office to adjust the earned hours on their
transcript so that they are not short hours at graduation. Due to placement, a student
may graduate with more than 120 semester hours.

Residency requirement:
A residency requirement of 30 semester hours is required to graduate from Brenau
University. This includes a major residency of 21 semester hours.

Note: Financial aid recipients cannot receive aid for courses repeated
unnecessarily or for courses not specifically required for their degree.

This program plan is not an official document. It is a tool to assist the student
and adviser in schedule planning.

This program plan was prepared by the Registrar’s Office.
