**Liberal Education:**

The Liberal Education program is divided into four portals: Communication & Language Fluency, Artistic & Creative imagination, Scientific and Analytic Curiosity and World Understanding. Please see the Brenau University catalog or the Brenau University web site for a list of applicable courses for each requirement. Some majors have more than one course that can satisfy a LE requirement. In those cases, only one of those courses will list on the LE portion of the plan, however, all the courses will be noted on the reverse side of this plan. **If the student earned a previous degree (must be A.A., A.S., or Bachelor’s Degree) from a regionally accredited institution, the Liberal Education section of the student’s program is considered complete.**

Note: No grade less than “C” may be applied in the major. Students must earn a cumulative grade point average of 2.75 and a major grade point average of 2.75. In addition to all the course requirements, students must pass the Teaching Field Content Exams for academic content area (GACE) prior to student teaching. Prerequisite courses must be passed with a grade no lower than a “C”. Students who preregister for a course and do not earn a grade of “C” or higher in the prerequisite will be administratively withdrawn by the department.

** Because the Special Education major must complete a concentration, it is possible that the student may satisfy Liberal Education requirements through one or more of the concentration courses. Keep that in mind when planning your curriculum.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student’s transcript. Electives needed for graduation can be calculated simply by:

Adding the total number of hours on the student’s transcript (available in CampusWEB) - hours earned for courses taken at the developmental level + courses currently registered for + courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student’s responsibility to contact the Registrar’s Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

Note: Financial aid recipients cannot receive aid for courses repeated unnecessarily or for courses not specifically required for their degree.

Residency requirement:

A residency requirement of 30 semester hours is required to graduate from Brenau University. This includes a major residency of 21 semester hours.
