The general outline for a minor is:
1) Complete 18 semester hours in a subject outside the student's basic discipline. Brenau must offer a major in the subject in order to obtain a minor (unless outlined on this program sheet). For example: A biology minor would consist of a minimum of 18 hours of biology courses.
2) Maintain a minimum grade point average of 2.5 in the minor.
3) Take a minimum of 12 semester hours in the minor in residence at Brenau.
4) Have an appropriate mix of upper level and foundation courses in the minor, with at least nine hours at the 300 or 400 level.
5) The minor courses may not overlap with those for the student’s major or a 2nd minor.
